## CHAPTER 2 : RACE EVENTS

### 2.1 ENTRY TO RACE EVENTS

All entrants are required to enter each Round via the Motorsport Australia Event Entry Portal – <https://www.motorsport.org.au>.

- Entries will be open upon approval of the Supplementary Regulations by Motorsport Australia.
- An email will be sent to all registered competitors and the category contact on the Sporting Car Club of SA database to advise that entry is open. Social media will also be used to advertise that entries are open.
- An earlybird entry fee will be offered for entries received 21 days prior to the event. To receive the earlybird offer, payment and all required documentation must be received at the SCCSA by the earlybird date or the Standard Entry Fee will apply.
- Entries will close 14 days prior to the event, this includes receipt of payment and all required event documentation.
- Late entries may be accepted at the discretion of the event organisers but must be no later than 3 days prior to the event – NCR 32(a).
- As soon as practicable, following the close of entries, all entrants will be emailed a copy of the Drivers Briefing Notes, Schedule and any Further Regulations.
- Required passes will be distributed to Category Contact at least 5 days prior to the event.
- *As per NCR 23, the entry fee for each meeting will be listed in the Supplementary Regulations for that event.*
- ***If you are completing an Observed Licence Test (OLT) this must be confirmed with the organisers prior to the event.***

### 2.2 SCRUTINY

Targeted scrutiny will be mandatory for all State Championship Rounds, with vehicles being inspected at the interval specified in the current Targeted Scrutiny Regulations. The Chief Scrutineer and/or nominee, will identify the vehicles entered for a given meeting to be subjected to the targeted audit. The Chief Scrutineer will give the Driver notice if their vehicle will be required for audit and will nominate a time for the subject vehicle to be presented to the scrutineering bay. Failure to present for the said audit without prior consultation with the Chief Scrutineer and/or nominee will result in charges under NCR 83.

**NOTE:** Notwithstanding the above, a vehicle entered for competition and/or racing apparel may be checked at ANY TIME during a State Championship event without prior notice being given, at the discretion of the Chief Scrutineer, Stewards and/or the Clerk of Course.

Statement of Vehicle Compliance documentation must be completed and submitted to SCCSA by the close of entries for the event. Failure to do so may mean your entry to the event may not be accepted.

- a. Allocated race numbers for that event, series decals and advertising signs must be as per Schedule K of the current Motorsport Australia Manual.
- b. Functioning Timing Transmitters must be in position on the vehicle BEFORE the vehicle is driven on the circuit.
- c. Any vehicle which, after approval, is dismantled or modified in any way which might affect the safety of the vehicle or raises questions as to its eligibility, or is involved in an accident having similar results, must be submitted for re-scrutiny approval.
- d. Any vehicle or Driver may be prohibited from Practice, Qualifying, or the Race for safety reasons.
- e. The Clerk of Course may require any vehicle involved in an accident to be stopped and checked during any race.
- f. Fire extinguishers must comply with Schedule H of the current Motorsport Australia Manual.
- g. For continuity, all weighing will be done with the driver in their normal racing position and with their Full race apparel on.

## 2023 State Motor Racing Championship

### *Sporting & Technical Regulations*

#### 2.3 GRID POSITIONS

Grid positions, for each round of the Championship, unless specified differently in any Further Regulations, will be determined as follows:

- First Race : based on times from the official qualifying session(s).
- Further Races : progressive grid based on finishing order of previous race(s).

The organisers reserve the rights, when categories/class entries are less than grid capacity, to combine categories/classes on grids.

All drivers are advised to familiarise themselves with the Circuit Race Standing Regulations available at [www.motorsport.org.au](http://www.motorsport.org.au) and the Supplementary and Further Regulations as applicable to each round of the State Championship.

#### 2.4 MARSHALLING

- Listen carefully to calls on the Public Address System and ensure you move promptly to the Marshalling area which advised to do so. Each race will follow immediately after the previous.
- Observe all directions given by the Officials in the Marshalling area and remember the speed limit is 10kph.
- **THE SECOND CALL TO MARSHALLING IS THE FINAL CALL.**
- To be deemed a starter for an event, your vehicle must be in the Marshalling area when the vehicles become “under starters orders” on the starting grid.

#### 2.5 DRIVERS BRIEFING

Compulsory Drivers Briefings will be held at each round of the State Championship at a time and location nominated in Regulations for the event. The format of the briefing will be dependent on the State Health Orders relevant at the time of the event. Any driver failing to attend and sign-on at the briefing will be penalised as per the Circuit Race Standing Regulations.

Each Driver must attend the entire Drivers’ Briefing. The time and location of this briefing shall be detailed in the Supplementary and/or any Further Regulations for that event. Should State Health requirements prohibit in-person Driver’s briefings then the Drivers Briefing notes will be sent electronically prior to the event. These must be acknowledged via a read receipt. The read Receipt confirms understanding and acceptance of the Drivers Briefing Notes.

Other Category Briefings may be called at any time, and where attendance is compulsory, notification of such briefings shall be by bulletin issued by the Secretary of the Meeting. Details of these will be distributed via the Category Representative. Should any subsequent compulsory briefings be called, no-attendance at these briefings will also incur penalties equivalent to that described above.

Social Distancing is to be maintained at all times throughout the Drivers Briefing(s).

Any driver requiring an Observed Licence Test (OLT) must have registered with Motorsport Australia and the event organisers prior to the event. They must also report to the Clerk of Course and/or their Assistant at the conclusion of the Drivers Briefing.

#### 2.6 RECONNAISSANCE/FORMATION LAP(S)

Drivers on their Reconnaissance/Formation Lap must stop weaving and drive single file from the track position as specified in the Supplementary Regulations which is specific to the venue and track being used. If you are out of position on formation lap the CRSR rules will apply. **BE AWARE OFFICIALS MAY BE ON TRACK.** It is your responsibility to have read the Supplementary Regulations, Further Regulations and any other bulletins that may be issued throughout the event. The bulletin board is located in the Secretary’s office.

**Motorsport Australia Sporting Car Club of SA Inc.**  
**2023 State Motor Racing Championship**  
*Sporting & Technical Regulations*

**2.7 ENTRIES GREATER THAN TRACK DENSITY**

Subject to the provisions of the NCR's where the number of Drivers exceeds the track racing density of a circuit, they shall, in conjunction with the race meeting organiser, be selected according to the following procedure:

- a. If there is available time in the schedule, the organiser reserves this right to split the categories who exceed the approved grid track capacity.
- b. If the schedule does not allow this, priority determined by State Championship registration status (Registered Drivers are given priority: Non-registered Drivers are to be culled first),
- c. Vehicles that are not eligible for the State Championship point score
- d. The Class with the highest entries on that day will lose the slowest vehicles based on their best race time at that circuit, then
- e. The Class with the next highest entries will lose the slowest car based on their best race time at that circuit, then.
- f. And so on, in rotation, until the required track density is achieved noting that the organiser may accept up to 10% more entries for qualifying purposes than is permitted for racing.

**2.8 QUALIFYING**

Unless otherwise approved by Motorsport Australia, qualifying will consist of one session scheduled for each category. This will be a minimum of a 15 minute session and may be incorporated as a practice/qualifying session. The Clerk of Course at a Race Event may use their discretion and approved by the Stewards, as provided in the Motorsport Australia CRSR's, to allow drivers (who may not have met qualifying requirements) to compete.

**2.9 TIMING : DATA-1 TRANSMITTER**

Unless otherwise specified in regulations for an event, each competitor must have an operating Dorian DATA-1 timing transmitter or similar fitted to each competing automobile anytime the race vehicle is on the track. Any competitor without a working transmitter may not have times recorded and may be allocated a grid position at the rear of the field.

The transmitter is to be fitted to Formula cars in the position agreed to by the appropriate category management; for all sedan-based automobiles that position shall be in the left front footwell or right front footwell for left-hand drive automobiles or as specified in the category regulations.

Data 1 transmitters are available from Dorian Industries, 6/29 Graham Court, Hoppers Crossing, VIC, 3129 – <https://www.dorian.com.au>

**NOTE :** Dorian timers may not be available for hire at the track and each competitor must have their own prior to the event.

**2.10 RACES**

- a. Races will be determined by completed laps or time.
- b. Timed races (ie a number of minutes instead of laps) may be utilised at any event where the Clerk of Course deems it necessary.
- c. If due to unexpected circumstances, some of the last races are cancelled, then these races may, if practicable, be scheduled at a later event.
- d. Flags and or lights may be used, these are regulatory as per the current Motorsport Australia Manual of Motorsport. It is your responsibility to know where the flag/light points are and to observe the appropriate signal and act accordingly.

#### **2.27 HEARINGS**

- All parties will receive communication regarding the proposed time of a hearing to be held.

## **CHAPTER 3 : TECHNICAL**

### **3.1 SIGNS AND MARKINGS**

- a. All competing cars must comply with the signage provisions of Schedule K in the Motorsport Australia Manual of Motorsport, but religious reasons may be submitted for exemption for certain decals.
- b. All Vehicles are required to carry the State Championship identification and/or corporate sponsors decals as approved and supplied by the SCCSA. These are to be positioned as specified and indicated in Schedule K of the Motorsport Australia Manual of Motorsport.

### **3.2 TYRES**

Refer to appropriate tyre regulations for each category.

**Motorsport Australia Sporting Car Club of SA Inc.**  
**2023 State Motor Racing Championship**  
*Sporting & Technical Regulations*

**3.3 VISION RECORDING EQUIPMENT**

In car cameras are permitted in accordance with the Motorsport Australia rules in force at the date of the event. In all cases, cameras on vehicles must be in working order and in all cases there must be a minimum of a secondary restraint system installed, which must be able to prevent the camera falling off in the event of the primary restraint system failing.

Scrutineers may inspect the equipment and tether to ensure it is compliant.

In car cameras are recommended for all competitors to assist as required with judicial issues. Where cameras are used, they must be recording at all times while the vehicle is on the racing surface during all sessions and competitors will make recordings available to the Officials and the Organisers if requested to do so.

Other Photography is restricted to Public Areas with the exception of Accredited Media. No aerial photography by “drone” or other similar device is permitted unless the user can present evidence of authorisation issued by Motorsport Australia to the Clerk of Course and it has been noted on the Motorsport Australia issued permit.

**NOTE:** Motorsport Australia shall retain broadcast rights for all National and State Championship events.

**3.4 LIVE STREAMING**

Any category specific social media or streaming of footage from the event must have prior approval from the event organisers and must refer to the State Championship by the correct name. Any approved Live Streaming should also be delayed should it be required to cease at any stage. **Motorsport Australia SCCSA State Motor Racing Championship.**
